The West End Neighborhood Association (WENA) is a non-profit, non-partisan association dedicated to fostering community and to enhancing the quality of life for our residents, both homeowners and renters. WENA provides a forum for voicing issues between residents and our local government. Our mission is to keep neighbors informed and connected so we can work together to solve problems, to safeguard our community, and to promote activities which beautify and respect our environment.

Creating a Neighborhood Resource Directory on WENA's Website

The WENA Board has been brainstorming on ways we can support and provide access to the skills we can offer each other as a neighborhood. We have so many talented neighbors who make their living as a landscaper, financial advisor, photographer, music teacher, musician, contractor, plumber, realtor, electrician, web designer, computer consultant, interior designer, colorist.....you name it.. These are our neighbors in the West End and we would like to support you.

If you would like to be in the Resource Directory on the WENA website, send your Name, Business Name and Description, phone, email address, license # if required to WENA's Web Master:
