

WEST END NEIGHBORHOOD ASSOCIATION  
BOARD MEETING MINUTES  
18 JUNE 2015

**Call to Order:** Gordon MacDermott, President, called the meeting to order at 6:30 pm at his home.

**Attending:** Gordon MacDermott, Greg Reel, Richard Cunningham, Anna Sellenreich, Daniel Alm, Ben Negrete, and Vicki Fernandez.

**Minutes:** approved from 9 April 2015

**Treasurer's Report:** Our balance is low at \$972.82. We discussed ways to increase membership. A new membership form will be worked on. Suggested change of wording: "Join over 200 of your neighbors in contributing to keeping these events going. Be a part of your community". Perhaps more positive wording will bring new members.

**NNO:** So far, two sites will participate this year. The traffic circle and Greenfield Ave. **Ben** will ask if Janis and Linda will host one on West St. No need to add another site on the north side of Miracle Mile, as the traffic circle is easily accessible to all. There is a new person coordinating this event in the city this year, Antonette Bullock. We need to get applications in to them by the 25<sup>th</sup> of July. We need to know about West St by 15 July so that flyers can be printed. We are to pass out flyers on or about 25 July. **Gordy** will check on banner availability.

**Block Party:** To be held on 20 Sept. **Gordy** will ask David Baker to contact residents for approval of the event. Two houses are for sale on that block. We need to be sure we don't block access for possible open house events. By 16 July **Dave Borton** will arrange insurance. We need to apply to the City so they can vote on approval of the street closure. **Ben** will contact Play Well regarding a Lego demo. **Vicki** will ask Shar for info on a face painter for her picnic. We discussed raffle prizes. **Chris** and **Gordy** did a great job last year. Hopefully they can again this year. We discussed possible Grand prizes. **Gordy** will check at Anchor Steam to see if something can be donated. **Vicki** will check with Deb Coburn re Owner's tickets for the Giants. These were great seats and were free! Another suggestion came in after the meeting: a night at The Pelican Inn. Food is included. We can discuss this at our **next meeting on 13 Aug.**

**Holiday Party:** Will be on 5 Dec and hosted by Jackie and Sam Moore. Next year we will have it on the north side of the neighborhood, and will resume alternating sides in future.

Respectfully Submitted,  
Vicki Fernandez
